Dog

Fm4

Platinum status bringing you the heat
You were playing games on me
I'm your new enemy
Now you will never be you're a dog
Why you go and do that no it didn't work
You were playing game on me, you're a dog
You thought I was in the dark, baby boy from the start
I was askin' questions to see if you was creepin', at all
I am accusing you of cheatin' no matter what you sayin'
So irritatin' so baby stop playin'
Dog, tryna run your game on me
You're a dog, thinking you can cheat on me
You're a dog, boy you know you lost my trust
You're a dog, and I know it's obvious
Dog, tryna run your game on me
You're a dog, thinking you can cheat on me
You're a dog, boy you know you lost my trust
You're a dog, and I know it's obvious
You were playing games on me
I'm your new enemy
I heard you say you were gonna push up on her
I played along boy you think I'm stupid
I'm on point, no, I don't miss a damn thang
Fed up but Jhene ain't fallin'
Play I don't know but she is my dog, yeah
I got my friend on you tellin' her to call
You got caught now I know that you're a dog
Dog, tryna run your game on me
You're a dog, thinking you can cheat on me
You're a dog, boy you know you lost my trust
You're a dog, and I know it's obvious
Dog, tryna run your game on me
You're a dog, thinking you can cheat on me
You're a dog, boy you know you lost my trust
You're a dog, and I know it's obvious
I'm a D O G from the T U G
It's hard tryna be the F I double Z
I'm the Jay-Z of my generation
So sick I'm every hospital's number 1 patient

Girls be killin' me with they fantasies
When all I really wanted was the G T Ds
Two minutes of conversation and you outta control
I'm a D O G ain't no change in me
You think I didn't know you
How you played me for a fool
Barking at the wrong tree
Now you turn into my enemy
I planned it all like
I tried to test you
Dog, tryna run your game on me
You're a dog, thinking you can cheat on me
You're a dog, boy you know you lost my trust
You're a dog, and I know it's obvious
Dog, tryna run your game on me
You're a dog, thinking you can cheat on me
You're a dog, boy you know you lost my trust
You're a dog, and I know it's obvious
Dog, tryna run your game on me
You're a dog, thinking you can cheat on me
You're a dog, boy you know you lost my trust
You're a dog, and I know it's obvious
Dog, tryna run your game on me
You're a dog, thinking you can cheat on me
You're a dog, boy you know you lost my trust
You're a dog, and I know it's obvious
I'm your new enemy, yeah
Now this will never be
You're tryin' to test me
I'm so disappointed
You're tryin' to test me
And now I'm so disappointed
You're a dog
You're a dog
You're a dog
