

# Crystal Ball

## Uriah Heep

Do we live our lives in moderation?

Does this appear

When you're around?

And the deeper in debt

The harder the bet

Your thoughts are one of a clown

Look out before you sign

Your soul away

The crystal ball, it seems

Is not reading to - reading today

Does the time seem right

For some rethinking?

It seems a gift that you have

Are you living a dream

Of express progress?

It's just a thought that you have

Oh, you should've know better

When the warning light was lit

As it did for others

You preach a sermon

When you talk of the messiah

We are yet to discover

Thinkin', lovin', feelin'

But disbelievin' ...
