It's Alright

East 17

Don't you worry 'cause it's alright
Don't you worry, child of the night
'Cause in the morning
Come with the new day sun
Love, an everlasting lightWe are the seed of the new breed
We'll succeed our time has come
We are the new, these words are true
Let the light of love shine throughIt's alright, it's alright, it's alright
It's really, alright, it's alright
It's really, alright
Alright, alright
Everything's gonna be alright
Everything's gonna be alright
Everything's gonna be alright
Alright, alright it's ready alrightNo, don't be so sad
'Cause love is by your side
No, don't be so sad
'Cause life is too short to liveNo, don't be so sad
I'll be mad if you're this
It's alright
The message that I giveListen to me
Dreams can come true
Call out to love
It will answer you
Forget your trouble and smile
Let your heart speak awhile
Let the light of love shine throughTake your nightmare
Change to dream
Flow in the rhythm like a stream
Fear no evil, fear no manOpen up the mind
And the beats goes bam
Rhythm rolling, running smooth
Just like a little loveSent to soothe
Ease the pressure, let it all go
Don't be afraid, let the feeling flow
