

Paradise (Live at The Trocadero)

Tesla

Hold me close now, hold me tight
Don't let go of me tonight
You're all I want, you're all I need
Hold me close now, hold me tight
And don't let go of me tonight
Sweet paradise, yeah How I love all of those crazy little things you've said and done for me
You're the one for me
Darlin', dry your eyes, I can't stand to see you cry
Now just turn and walk away,
Don't look back when I say goodbye paradise Days go by and life goes on,
I feel I've been away too long
What I would give to be with you,
Days go by and life drags on
Feel I've been away too long,
For much too long, yeah And all the while that I'm away,
Don't let our love fade away, don't you fade away
Now as sure as the sun is gonna shine, the day will come
Now I'm waitin' for the day
There'll be no more sayin' goodbye paradise My sweet paradise, you are the reason why it tears me up inside
And I break down and cry, didn't wanna say goodbye paradise I'm comin' home to you tonight, comin' home to
you tonight
So hold on tight, tonight I'm on my way back home to paradise I'm so lost without you, I can't live without you
I've been away too long, now, tonight I'm on my way back home to you
My my paradise, my my paradise
To hold you in my arms, you're all that I adore
To see your smilin' face as I walk through the door
I'll never say goodbye again, no
