

# Bye Bye Beautiful (DJ Orkidea Remix)

## Nightwish

Finally the hills are without eyes, they are tired of painting  
A dead man's face red with their own blood  
They used to love having so much to lose  
Blink your eyes just once and see everything in ruins Did you ever hear what I told you?  
Did you ever read what I wrote you?  
Did you ever listen to what we played?  
Did you ever let in what the world said? Did we get this far just to feel your hate?  
Did we play to become only pawns in the game?  
How blind can you be, don't you see  
You chose the long road but we'll be waiting? Bye, bye beautiful  
Bye, bye beautiful Jacob's ghost for the girl in white, blindfold for the blind  
Dead siblings walking the dying earth  
Noose around a choking heart, eternity torn apart  
Slow toll now the funeral bells I need to die to feel alive Did you ever hear what I told you?  
Did you ever read what I wrote you?  
Did you ever listen to what we played?  
Did you ever let in what the world said? Did we get this far just to feel your hate?  
Did we play to become only pawns in the game?  
How blind can you be, don't you see  
You chose the long road but we'll be waiting? Bye, bye beautiful  
Bye, bye beautiful  
Bye, bye beautiful  
Bye, bye beautiful It's not the tree that forsakes the flower  
But the flower that forsakes the tree  
Someday I'll learn to love these scars  
Still fresh from the red-hot blade of your words How blind can you be, don't you see?  
How blind can you be, don't you see?  
How blind can you be, don't you see?  
That the gambler lost all he does not have Did you ever hear what I told you?  
Did you ever read what I wrote you?  
Did you ever listen to what we played?  
Did you ever let in what the world said? Did we get this far just to feel your hate?  
Did we play to become only pawns in the game?  
How blind can you be, don't you see  
You chose the long road but we'll be waiting? Bye, bye beautiful  
Bye, bye beautiful  
Bye, bye beautiful  
Bye, bye, bye, bye
