

Your Love

The Butchies

Josie's on a vacation far away
Come around and talk it over
There's so many things that I wanna say
You know I like my girls a little bit olderI just wanna use your love tonight
I don't wanna lose your love tonightI ain't got many friends left to talk to
Nowhere to run when I'm in trouble
You know I'd do anything for you
Stay the night but keep it under coverI just wanna use your love tonight
I don't wanna lose your love tonightTry to stop my hands from shaking
Something in my mind's not making sense
It's been a while since we were all alone
I can't hide the way I'm feelingAs you're leaving please won't you close the door?
And don't forget what I told ya
Just 'cause you're right that don't mean I'm wrong
Another shoulder to cry uponI just wanna use your love tonight
I don't wanna lose your love tonightUse your love
Lose your love
I just wanna use your love
I don't wanna lose your loveJosie's on a vacation far away
Come around and talk it over
