

I Can't Tell You Why

Brownstone

Look at us baby, up all night
Tearin' our love apart
Aren't we the same two people
Who lived through years in the dark?
Every time I try to walk away
Something makes me turn around and stay
And I can't tell you why
When we get crazy it just ain't right
(Try to keep your head, little girl)
Girl, I get lonely too
You don't have to worry, just hold on tight
(Don't get caught in your little world)
'Cause I love you
Nothing's wrong as far as I can see
We make it harder than it has to be
And I can't tell you why
No baby, I can't tell you why
I can't tell you why
Every time I try to walk away
Something makes me turn around and stay
And I can't tell you why
No no baby, I can't tell you why
I can't tell you why
I can't tell you why
