

Shine On Me

SomeKindaWonderful

Shine on me
Shine on me
When the darkness comes,
 like the rays of the sun,
Shine on meShine on me
 Shine on me
When the darkness comes,
 like the rays of the sun,
Shine on meShine on me (oh yeah)When the night calms down
 And my heart turns bitter
 Because you aren't around
 You wake me up like morning light,
Right through my window you give me lightShine on me
 Shine on me
When the darkness comes,
 like the rays of the sun,
Shine on meShine on me
 Shine on me
When the darkness comes,
 like the rays of the sun,
Shine on meWhen the fight is fought
And I hang my hear weary because I have had enough
 You pick me up to higher ground
I'm sure lucky that you stuck aroundShine on me
 Shine on me
When the darkness comes,
 like the rays of the sun,
Shine on meShine on me
 Shine on me
When the darkness comes,
 like the rays of the sun,
Shine on meShine on meWhen the world remains untrue
 (I'll be the one)
I'll be around to shine on youShine on me
 Shine on me
When the darkness comes,
 like the rays of the sun,
Shine on meShine on me
 Shine on me
