

If You Want To

Travis Barker

Oh

Oh

Oh

That's what you wanna doThe mind's all a flutter, no pigs on the gig

No swine for the supper, no wine in the cupboard

Everything of mine must show signs of the suffer

And keep you oppressed in the utter struggleBut keep it all fresh like Tupper

One of the tougher gingerbread men out the cutter

Skin ain't Huck Finn but I ain't nigga Jim motherfucker

I'm more like Clubba, from the uppercut of the gutterNever kowtow, I won't bow down to the bull like Kolkata

They ain't what I'm rapping for I rather be a matador

So tartare or rather raw

I know that sounds fucked up like a reptoidBut it's no Ruth's Chris, if I lose, so I choose

To keep it seeing red like Crips and Pirus

How he the guy who rise to high schoolSchooled at Cooley High who's highs denied students

Till it's time to rise up, ride for our views

Tired of all the lies won't to abide by y'all's rules

AKs and IQs 'til my skies are light blueHey, I must admit it, I ain't shamed I'm the best, oh

They've been bitten, that's why I pissed off the rest, oh

Niggas is jealous 'cause what I got restin' on my neck, oh

'Cause it took me from down underground to soarin' like a G4Mug if you want to, bug if you want to

Chill if you want to, drug if you want to

Build if you want to, joke if you want to

Disrespect me, that's what you won't do

That's what you won't doBeen around a world and things that I've seen

These things get turned into things that I sing

Things ringing together with similes in between

Been mean since a teen, since little green marinesI've been, mean, jean

Ming, green, lean, dream

Bending, king, bling-bling, three rings

Ring-lings, home owned, oh, is, yeahTo move towards it, I had ta route 4 it

Like the home team, now I be all in

Singing that Queen, Somebody to Love

Rhapsody Bohemian, We Are ChampionsYou don't wanna bite the dust better stay on your scene

I drop the lyric whip bible king

You can document it Columbine bowling

I got the spirit I require no wingsA fly MC rivet in my pants, just to buy pearl wings

Then wear 'em on the covers of your magazines

Feeling real yetti in my size fourteens

Trying to [Incomprehensible]Hey, I must admit it, I ain't shamed I'm the best, oh
 They've been bitten, that's why I pissed off the rest, oh
 Niggas is jealous 'cause what I got restin' on my neck, oh
 'Cause it took me from down underground to soarin' like a G4Mug if you want to, bug if you want to
 Chill if you want to, drug if you want to
 Build if you want to, joke if you want to
 Disrespect me, that's what you won't do
 That's what you won't doI'm performin' mama, hey
 Now ain't nobody knowin' me, mama
 All these hoe's on me, mama
 Why the hell you ain't want me mama? HeyI'm performin', mama
 Now ain't nobody knowin' me, mama, hey
 All these hoe's on me, mama
 Why the hell you ain't want me mama? HeySuccess is my friend
 Who knew that when I grew up I'd be just like him
 Expect my roar if you reject my whim
 Erect my law and respect my pimI bring the pain
 Method Man, I bring the pain
 S & M shout to Fam-Lay, one of my bestest friends
 Shine killers send all of your death threats in
 I'll just reply with excess winsPlease God, correct my sins, and protect my kin
 As I jet set headrest up and my leg-rest in
 Let's goHey, I must admit it, I ain't shamed I'm the best, oh
 They've been bitten, that's why I pissed off the rest, oh
 Niggas is jealous 'cause what I got restin' on my neck, oh
 'Cause it took me from down underground to soarin' like a G4Mug if you want to, bug if you want to
 Chill if you want to, drug if you want to
 Build if you want to, joke if you want to
 Disrespect me, that's what you won't do
 That's what you won't doHey, oh, oh, oh, oh
