

Chances Are We Are Mad

His Name Is Alive

In the corner of the sky
In the corner of the world
In the corner of your eye
Do you love him?
I've been talking to the river
A storm brings us together
Legend says we're swept away
Couldn't stand to look back
And remember that we didn't do anything
I would write a book
About the things
You said you'd do but never did
And take the book and burn the pages
And turn the rage I have for you
Into something good finally
Something good at last
Chances are we are mad
Nothing's changed you're the same
