Keep Your Eyes Peeled

The Automatic

This adventure is a one way street
So please keep your eyes on the radar screen, yeah
This adventure is a one way street
Keep your eyes on the radar screen

This adventure is a one way street
So please keep your eyes on the radar screen, yeah
This adventure is a one way street
Keep your eyes on the radar screen

No parking in lanes, no parking in lanes
No parking there, no parking there
No parking in lanes, no parking in lanes
There's no parking there, no parking there

Keep the exits clear, I've got to get away
I've got a job to do, there's no room for mistakes

Keep your eyes peeled

This adventure is a one way street
So please keep your eyes on the radar screen, yeah
This adventure is a one way street
So please keep your eyes on the radar screen

This adventure is a one way street
So please keep your eyes on the radar screen, yeah
This adventure is a one way street
Keep your eyes on the radar screen

Keep the exits clear, I've got to get away
I've got a job to do, there's no room for mistakes
Keep the exits clear, I've got to get away
I've got a job to do, there's no room for mistakes

Keep your eyes peeled

Keep your eyes on the radar screen
Keep your eyes on the radar screen

Keep your eyes on the radar screen

Keep your eyes on the radar screen
Keep your eyes on the radar screen
Keep your eyes on the radar screen

Keep the exits clear, I've got to get away
I've got a job to do, there's no room for mistakes
Keep the exits clear, I've got to get away
I've got a job to do, there's no room for mistakes
Mistakes
