

# Walking In Circles

## Dead By Sunrise

Quiet, everyone's sleeping through life  
Afraid that their questions  
Just might have answers  
Quiet, everyone shut off their mind  
So I'll turn on mine Alone in a world with millions of souls  
Walking in circles  
Trapped in their dreams, unhealthy, unclean  
Walking in circles now  
Do not disturb, scream in silence  
Everyone's sleeping Quiet, we're living inside of our mouths  
Afraid someone just might  
Hear what we're thinking  
Quiet, careful of what you might say  
'Cause they'll put you away Alone in a world with millions of souls  
Walking in circles  
(Walking in circles)  
Trapped in their dreams, unhealthy, unclean  
Walking in circles now  
Do not disturb, scream in silence  
Everyone's sleeping Alone in a world with millions of souls  
Walking in circles  
(Walking in circles)  
Trapped in their dreams, unhealthy, unclean  
Walking in circles now  
Do not disturb, scream in silence  
Everyone's sleeping Alone in a world with millions of souls  
(Walking in circles now)  
Walking in circles now  
Alone in a world with millions of souls  
(Walking in circles now)  
Walking in circles now  
Do not disturb, scream in silence  
Everyone's sleeping
