Time Will Tell (R&B Mixtape Edit)

Blood Orange

Time will tell if you can figure this and work it out
No one's waiting for you anyway so don't be stressed now
Even if it's something that you've had your eye on
It is what it isTime will tell if you can figure this and work it out
No one's waiting for you anyway so don't be stressed now
Even if it's something that you've had your eye on
It is what it isAnd it keeps on running backFinishing 8 or 9 tell me its the perfect time
Told you I'll be waiting hiding from the rainfallCome into my bedroom
Come into my bedroom
Come into my bedroomCome into my bedroom
Come into my bedroom
Come into my bedroomTime will tell if you can figure this and work it out
No one's waiting for you anyway so don't be stressed now
Even if it's something that you've had your eye on
It is what it isEven if it's all you know just keep your heart in
Anyway to keep it up just never let yourself down
Even if it's something that you've had your eye on
It is what it isTime will tell if you can figure this and work it out
No one's waiting for you anyway so don't be stressed now
Even if it's something that you've had your eye on
It is what it is
