

Driving (Autobahn) [Demo]

Anberlin

And we're driving just as fast as we can
And we're racing to outrun the wind
It's just me and you and you and me
So wild and so young, bright-eyed and free
And we're trying to get out of here
As a small town romance draws ever near
And I swear we're in a movie
The highlight comes when you kiss me
And the stereo sings our song
And we don't hesitate to sing
Drive to dream to live we could see the world tonight
Hear the hope tomorrow we could see the world
And we're miles from the middle of nowhere
And neither of us seems to care
And that's why I love you so
Shut your mouth girl no one has to know
And times seems to drip like Dali
And neither of us has a place to be
So once and forever tell me all
Tell me all of your dreams
And the stereo sings our song
And we don't hesitate to sing
Drive to dream to live we could see the world tonight
Hear the hope tomorrow we could see the world
Drive to dream to live we could see the world tonight
Hear the hope tomorrow we could see the world
And we're driving just as fast as we can
And we're racing to outrun the wind
And the stereo sings our song
We don't hesitate to sing
Drive to dream to live we could see the world tonight
(We dont hesitate to)
Hear the hope tomorrow we could see the world
Drive to dream to live we could see the world tonight
(We dont hesitate to)
Hear the hope tomorrow we could see the world
Drive to dream to live we could see the world tonight
(We dont hesitate to)
Hear the hope tomorrow we could see the world
