

# How We Roll

**Britt Nicole**

I know that everyone's runnin'  
Just tryin' to get away  
Life can feel a lot like a rat race  
Like everyday is so mundane, but I am sayin' Hey, hey, oh, oh  
I'm not gettin' caught in the undertow  
I'll keep takin' it easy and takin' it slow  
I'm never gonna follow, no Turn it up, make it loud on your radio  
We are gonna dance everywhere we go  
Everybody knows that's how we roll Why don't you come on and join us?  
Take your nose off the grindstone, oh, oh, oh, oh  
Take, take your hands off the keyboard  
And put down the iPhone and let me hear you say Hey, hey, oh, oh  
We ain't gettin' caught in the undertow  
We'll keep takin' it easy and takin' it slow  
We're never gonna follow, no Turn it up, make it loud on your radio  
We are gonna dance everywhere we go  
Everybody knows that's how we roll  
That's how we roll Turn it up, make it loud on your radio  
We are gonna dance everywhere we go  
Everybody knows that's how we roll Don't fold under the pressure  
A smile can make it better  
Whoa, you know, you know, yeah Don't fold under the pressure  
A smile can make it better  
And if everythin' goes wrong  
Keep singin' this song Turn it up, make it loud  
You, you can't get away  
Yeah, don't, don't try to get away Turn it up, make it loud  
You, you can't get away  
Yeah, don't, don't try to get away, oh no Turn it up, make it loud on your radio  
We are gonna dance everywhere we go  
Everybody knows that's how we roll  
That's how we roll Turn it up, make it loud on your radio  
We are gonna dance everywhere we go  
Everybody knows that's how we roll  
That's how we roll Gonna dance everywhere we go  
Everybody knows that's how we roll
