

If You Find Her

Future of Forestry

She won't falter easy
And she'll be careful, she'll be coy
But still she paints her heart
Among the musings of a boy
If you find her
Tell her that I love her
And if she hears you
Ask her heart to come
At the break of morning
The day awaits her when she sleeps
Deep inside her dreams
Is all the beauty that she keeps
If you find her
Tell her that I love her
If she hears you
Ask her heart to come
If you find her
Tell her that I love her
If she hears you
Ask her heart to come
