Looking In The Eyes Of Love

The Corrs

I wonder should I tell you
About all the crazy things that I have done
I've been hiding all my life
When I should have stayed
I tried to run...
I was searching for an answer
In a world so full of strangers
But what I found was never really enough
Now that I've found you
I'm looking in the eyes of love (In the eyes of love)
Baby you've been good to me
Oh, so much more that you could know, yeah, yeah
I never thought that I would find
Someone who's so sweet and kind
Like you...
Please believe me when I say
This time I won't run away
I swear be all the heaven's stars above
Now that I've found you

I'm looking in the eyes of love
Looking in the eyes of love...
I can see forever, yeah...
I can see you and me
Walking in this world together
Oh, my heart's found a hope...
I've been dreaming of...
Now that I've found you
I'm looking in the eyes of love
Looking in the eyes of love...
I can see (forever), I can see forever
I can see you and me
Walking in this world together
Oh, my heart's found a hope
I've been dreaming of...
Now that I've found you, I've found you
I'm looking in the eyes of love..., yeah
Oh...
