

# Room With a View

## Donots

Come, take a breath  
Make this moment last  
Be here right now  
This is the place and time

Forget the world  
And leave it all behind  
It doesn't take a word  
And all i need to know is here

There's comfort in the silence  
When you're near  
Give me shelter  
When the day comes

Crashing down on me  
I'll tide you over I will give you  
Everything (you need)  
Let's take a breath

It might be our last one  
Make this moment last  
Make it the best one  
We'll find ourselves

Finding something new  
Feels good to share  
A room with a view  
It doesn't take a word

And all i need to know is here  
There's comfort in the silence  
When you're near  
Give me shelter

When the day comes  
Crashing down on me  
I'll tide you over I will give you  
Everything (you need)

Give me shelter  
When the day comes  
Crashing down on me  
I'll tide you over I will give you

Everything 4\*  
Come, take a breath  
Make this moment last  
It doesn't take a word

And all i need to know is here  
There's comfort in the silence  
When you're near  
Give me shelter

When the day comes  
Crashing down on me  
I'll tide you over I will give you  
Everything (you need)

Give me shelter  
When the day comes  
Crashing down on me  
I'll tide you over I will give you

Everything (you need
