

Roundabout

Asia

I'll be the roundabout
The words will make you out and out
I'll spend the day your way
Call it morning driving though the sound
And in and out the valley The muses, dance and sing
They make the children really ring
I'll spend the day your way
Call it morning driving through the sound
And in and out the valley In and around the lake
Mountains come out of the sky and they stand there
One mile over we'll be there, we'll see you
Ten true summers we'll be there, laughing too
Twenty four before, my love
You'll see I'll be there with you, yeah I'll remember you
Your silhouette will charge the view
Of distance atmosphere
Call it a morning driving through the sound
And even in the valley, yeah In and around the lake
Mountains come out of the sky they stand there
One mile over we'll be there, we'll see you
Ten true summers we'll be there and laughing too
Twenty four before, my love
You'll see I'll be there with you Take it up, take it up I'll be the roundabout
The words will make you out and out
I'll be the roundabout
The words will make you out and out
I'll be the roundabout
The words will make you out and out
