Give Me Your Body

Lime

(Denis LePage, Denyse Lepage)Hey, are you lonesome?
All alone?
Are you looking for someone
To call your own?(Pre-Chorus)
Hey, little honey
Don't be shy
Give me your body
I'll give you mine(Chorus)

And I've been waiting for
There's no one close to you
You're the one that I adore
I need you more and more
Baby, come close to me(Instrumental Break)Hey, pretty blue eyes
Your heart is owned
By a nice intuition
I call my own(Repeat Pre-Chorus)(Repeat Chorus)(Keyboard Solo)(Repeat First Verse)(Repeat Pre-Chorus)(Repeat Chorus)(Instrumental Break)(Repeat Second Verse)(Repeat Pre-Chorus)(Repeat Chorus)
