

Give Me Your Body

Lime

(Denis LePage, Denyse Lepage) Hey, are you lonesome?

All alone?

Are you looking for someone
To call your own?(Pre-Chorus)

Hey, little honey

Don't be shy

Give me your body

I'll give you mine(Chorus)

I, I've never loved before

And I've been waiting for

There's no one close to you

You're the one that I adore

I need you more and more

Baby, come close to me(Instrumental Break) Hey, pretty blue eyes

Your heart is owned

By a nice intuition

I call my own(Repeat Pre-Chorus)(Repeat Chorus)(Keyboard Solo)(Repeat First Verse)(Repeat Pre-Chorus)(Repeat Chorus)(Instrumental Break)(Repeat Second Verse)(Repeat Pre-Chorus)(Repeat Chorus)
