

# Times Like These

## Foo Fighters

I, I'm a one way motorway  
I'm a road that drives away  
Then follows you back home  
I, I'm a street light shining  
I'm a white light blinding bright  
Burning on and on It's times like these  
You learn to live again  
It's times like these  
You give and give again  
It's times like these  
You learn to love again  
It's times like these  
Time and time again I, I'm a new day rising  
I'm a brand new sky that  
Hang the stars upon tonight  
I, I'm a little divided  
Do I stay or run away?  
And leave it all behind It's times like these  
You learn to live again  
It's times like these  
You give and give again  
It's times like these  
You learn to love again  
It's times like these  
Time and time again It's times like these  
You learn to live again  
It's times like these  
You give and give again  
It's times like these  
You learn to love again  
It's times like these  
Time and time again It's times like these  
You learn to live again  
It's times like these  
You give and give again  
It's times like these  
You learn to love again  
It's times like these  
Time and time again It's times like these

You learn to live again  
It's times like these  
You give and give again  
It's times like these  
You learn to love again  
It's times like these  
Time and time again
