

Love You More

Elie Lapointe

You can make the sea turn purple
You can make the seeds unfertile
But you know you can never make me love you more
 You can turn wine into water
 Turn sadness into laughter
But you know you can never make me love you more
 Let the stars fall down, let the leaves turn brown
So you know you can never make me love you more
 Let the redwoods die, let the wells run dry
So you know you can never make me love you more
 You can make the sea turn purple
 You can make the sea turn turtle

But you know you can never make me love you more
 You can turn wine into water
 Turn sadness into laughter
But you know you can never make me love you more
 Let the stars fall down, let the leaves turn brown
So you know you can never make me love you more
 Let the redwoods die, let the wells run dry
So you know you can never make me love you more
 Let the stars fall down, let the leaves turn brown
So you know you can never make me love you more
 Let the redwoods die, let the wells run dry
So you know you can never make me love you more
