

You Can Tell How I Walk (feat. Rick Ross)

T.I.

You can tell how I walk I'm a boss (I'm a boss)
You can tell how I speak I'm a king (I'm a king)
You can tell how I walk, you can tell how I walk
You can tell how I speak, I'm a king You can tell how I walk I'm a boss
You can tell how I speak I'm a king
You can tell how I walk, you can tell how I walk
You can tell how I speak, I'm a king When I'm walkin' up, I'm bossin' up
And not even on purpose bruh
You talk too much, you soft as fuck
Your type I've seen it all too much
You don't want no parts of us, and we know it
And life for you or we make you cough it up, and keep going
I welcome you to danger zone
Now you continue on at your own risk
And I ain't scary shit cause when it's on, it's on
And I ain't gonna be backing down for shit
I'm ridin' chrome, going home with Hawaiian chick
I ran a major operation, you shit minor a bit
I walk like thi' designer cool cat around this bitch
And when I speak to you, King shit is all you get, nigga You can tell how I walk I'm a boss (I'm a boss)
You can tell how I speak I'm a king (I'm a king)
You can tell how I walk, you can tell how I walk
You can tell how I speak, I'm a king You can tell how I walk I'm a boss
You can tell how I speak I'm a king
You can tell how I walk, you can tell how I walk
You can tell how I speak, I'm a king Who fuckin' with fat boy, I traffic my body weight
So much cake in the club damn near caught me a fair case
My old school is running Gatorade in my Chevy
My money in shape, I'm runnin' laps round you fakes
We barricaded the front, the waterfalls in the back
Enough crack for a month, you smell it all in my raps
Niggas wanna be famous, I want the luxury tax
Not one of my checks like my company facts
I'm pumpin' my gas comin' down Cleveland Ave
How much a nigga worth? Ho don't even ask
Ten mill' with Diddy, I'm getting money with Tip
When you see me in the city then it's money we get You can tell how I walk I'm a boss (I'm a boss)
You can tell how I speak I'm a king (I'm a king)
You can tell how I walk, you can tell how I walk

You can tell how I speak, I'm a king You can tell how I walk I'm a boss (I'm a boss)
You can tell how I speak I'm a king (I'm a king)
You can tell how I walk, you can tell how I walk
You can tell how I speak, I'm a king Pay ya ma' shit, sure get the Calito
He go too far, twenty west he better holla at them
And if we catch 'em, down to test 'em, Hustle Gang here ho
Say Trae The Truth gon' cut the fool, give 'em fifty to go
You the business pull up spin, we don't mention it though
Told you before who about that action, you weren't listening though
I'm in the BM got you female in the skippiest clothes
She fucked 3 ho bust in her throat then she went home, he proposed
We in the Lambo raising the door
Acting like an Atlanta nigga never made it before
In case I ain't say it before, 2014
Till I got a .40 Cal and 2000 in my jeans, nigga You can tell how I walk I'm a boss (I'm a boss)
You can tell how I speak I'm a king (I'm a king)
You can tell how I walk, you can tell how I walk
You can tell how I speak, I'm a king You can tell how I walk I'm a boss (I'm a boss)
You can tell how I speak I'm a king (I'm a king)
You can tell how I walk, you can tell how I walk
You can tell how I speak, I'm a king, nigga
