

Big Sky (feat. Brett Ellis)

Glenn Hughes

You're packing your suitcase
You're closing the door
Move on to a new place
Won't see you no more
And the tears fall
From heaven again
I will miss you my old friend
Headed for big sky
Swim with the dolphins
Down in the bay
Out in the sunlight
It's a beautiful day
And we look through kaleidoscope eyes
In the sunrise
Headed for big sky
Later that morning
I stood by your bed
I'll meet you in Venice
That's what you said
And it looks like
Blue skies ahead
So goodbye my friend
Headed for big sky
