Thinkin' About

Tiffany Evans

[Verse 1:]
They Say U Neva Miss A Good Thing
Not Until Its Walked Out Of Your Door
But Be Careful What U Wish
Cause Someday You Just
Might Get What Your Lookin For,YeaAnd I Know Just What They Say(No)
Yes I Wish You Could Leave Me Alone
Neva Should Have Been Wishing
Your Love And Affection
Thats Some Otha Gurl[Pre-Chorus:]
I Hate This Feelin
Don't Know What To Do
Baby I'm Caught Up
Never Imagined It'd Be
Hornorable To Stop[Chorus:]
Thinkin' Bout
Lovin' You
Thinkin' Bout
Kissin' You
Thinkin' Bout
Needin'you
Cause I'm So Won Over Boy
Don't Want No OtherThinkin' Bout
Lovin' You
Thinkin' Bout
Kissin' You
Thinkin' Bout
Needin' You
Cause I'm So Won Over Boy
Don't Want No Other,Now[Verse 2:]
I Remember How It Use To Be
You Were Constantly Ringing My Phone
I Always Played U Off
Neva Took Your Calls
I Guess Its My Fault the tables have turn
Can't Sit And Think Of All The Could Have Be's
Or The Thought Of Me Being So Wrong
It's Time To Face The Truth
Now I've Dropped The Ball

Now I've Sat Here Missin You
Wishing You'd Call[Pre-Chorus:]
I Don't Know How I
Could Be Such A Fool
Baby I'm Caught Up
Never Imagined It'd Be
Unable To Stop[Chorus][Bridge:]
I Don't Know How Hard
It's Gonna Be To Win You Back Over
(Gotta Play This Off)
Gotta Play This One Tight
Might Not Get Another Chance To
Show Ya'
I Just Can't See Living My Life Without U Baby
Cause This Time I Don't Wanna Miss Out
Don't Wanna Spend No More Of My Time Just[Chorus: Until Fades]
