Everything's Ok

Lenka

Keep giving me hope for a better day
Keep giving me love to find a way
Through this heaviness I feel
I just need someone to say, everything's okayWoke my weary head, crawled out of my bed
And I said, "Oh, how do I go on?"
Nothing's going right, shadow's took the light
And I said, "Oh, how do I go on?"Sometimes I need a little sunshine
And sometimes I need youKeep giving me hope for a better day
Keep giving me love to find a way
Through this messy life I made for myself
Heaven knows I need a littleHope for a better day, a little love to find a way
Through this heaviness I feel
I just need someone to say, everything's okay
Everything's okayI gave my hope to you when you are nearly through
And you said, "Oh, I can't go on, I can't go"
Well, now I need it back 'cause I have got a lack
Of all that's good and I can't go onYeah, sometimes I just need a little sunshine
And sometimes I need youKeep giving me hope for a better day
Keep giving love to find a way
Through this messy life I made for myself
Heaven knows I need a littleHope for a better day
A little love to find a way
Through this heaviness I feel
I just need someone to say, everything's okayEverything's okay, everything's okay
Everything's okay, everything's okaySometimes I need a little sunshine
(Everything's okay, everything's okay)
And sometimes I need you
(Everything's okay)Keep giving me hope for a better day
Keep giving love to find a way
Through this messy life I made for myself
Heaven knows I need a littleHope for a better day
A little love to find a way
Through this messy life I made for myself
Heaven knows I need a littleHope for a better day
A little love to find a way
Through this heaviness I feel
I just need someone to say, everything's okay
