

Here In Your Arms (Live at The House Of Blues)

Hellogoodbye

I like where we are
When we drive in your car
I like where we are
Here'Cause our lips can touch
And our cheeks can brush
Our lips can touch
HereWell you are the one
The one that lies close to me
Whispers hello, I miss you quite terribly
I fell in love
In love with you suddenly
Now there's no place else I could be
But here in your armsI like where you sleep
When you sleep next to me
I like where you sleep
HereOur lips can touch
And our cheeks can brush
Our lips can touch
HereWell you are the one
The one that lies close to me
Whispers hello, I miss you quite terribly
I fell in love
In love with you suddenly
Now there's no place else I could be
But here in your armsOur lips can touchOur lips can touch
HereWell you are the one
The one that lies close to me
Whispers hello, I miss you quite terribly
I fell in love
In love with you suddenly
Now there's no place else I could be
But here in your armsWell you are the one
The one that lies close to me
Whispers hello, I miss you quite terribly
I fell in love
In love with you suddenly
Now there's no place else I could be
But here in your armsHere in your arms

Here in your arms
