## BRONCHO

Donnie got caught tryin' to make it in  
Heaven knows  
Oh no, oh (oh oh oh oh)  
Fuzzy picture, now picture this  
I'm so strong, so strong  
All day long Little bunny come and tell me more

NC-17

I can see it with my eyes closed  
And NC-17  
Static cling, still in the screen, all along  
Oh no, oh (oh oh oh oh)  
You're a tough chick, making me trip  
I am off, so off  
Off and on Tell me yes when you tell me no

NC-17

I keep watchin' with my eyes closed  
And NC-17

When I'm holding on  
I got so many things behind there  
Making tapes and shapes and I don't care Ain't nobody gonna tell me no

NC-17

NC-17

I keep watching with my eyes closed  
And 16, 17

NC-17

Tell me yes when you tell me no

NC-17

NC-17
