

Say Hello

Jay-Z

It's that Roc-A-Fella music, soulful
Say hello to the bad guy, they say I'm a bad guy
I come from the bottom but now I'm mad fly
They say I'm a menace, that's the picture they paint
They say a lot about me, let me tell you what I ain't
They say I'm a bad guy, say hi to the bad guy
I come from the bottom but now I'm mad fly
They say I'm a menace, that's the picture they paint
They say a lot about me, let me tell you what I ain't
They say a lot about me, let me tell you what I ain't
I ain't playin', life's short so I aim
I ain't waiting for life to start portrayin' em
It's twice as hard to get a job as payin' 'em
So I ain't payin' attention to what you're sayin'
Raindrops keep fallin' on my brain
Constant in the drop, all flames
I'm so hot even if the weather change
I don't have no top, I'm insane
Member dark-skinned Jermaine
Who swayed in the rain, we sorta kinda the same
'Cept, I'm no lame and you gonna know my name
Before I go the world gon' feel my pain
They sayin', I'm a bad guy, why's that?
'Cause when my back's against the wall, nigga I react
Secretly though, I know you admire that
You wish you had the balls to fire back
Say hello, uh uh, hello, uh uh
You wish you had the balls to fire back
Say hello to the bad guy, they say I'm a bad guy
I come from the bottom but now I'm mad fly
They say I'm a menace, that's the picture they paint
They say a lot about me, let me tell you what I ain't
They say I'm a bad guy, say hi to the bad guy
I come from the bottom but now I'm mad fly
They say I'm a menace, that's the picture they paint
They say a lot about me, let me tell you what I ain't
They say a lot about me, let me tell you what I ain't
I ain't no ordinary nigga
Look around, this ain't what ordinary gets ya
Extraordinary figures, I'm an extraordinary nigga
Before my name became Jigga
Before I sang I had that thang on slippers
Can't complain 'bout what they ain't gon' give ya
That ain't gon' get ya shit, might as well give up
Or get up, get out and get somethin' nigga
Get a job my nigga or get to dumpin'
Only God can judge him, only he without sin
Tell me if my means justified my ends
Til then, I'm just gon' fly in the Benz
Wire my friends through Western Union
Shh, suprisin', my system knockin'

Here comes the bad guy again
Say hello, uh uh, hello, uh uh, hello
Uh, here comes the bad guy again Say hello to the bad guy, they say I'm a bad guy
I come from the bottom but now I'm mad fly
They say I'm a menace, that's the picture they paint
They say a lot about me, let me tell you what I ain't They say I'm a bad guy, say hi to the bad guy
I come from the bottom but now I'm mad fly
They say I'm a menace, that's the picture they paint
They say a lot about me, let me tell you what I ain't
Let me tell you what I ain't We ain't thugs for the sake of just bein' thugs
Nobody do that where we grew at, nigga duh
The poverty line we not above
So I come to mask and gloves 'cause we ain't feelin' the love We ain't doin' crime for the sake of doin' crimes
We movin' dimes 'cause we ain't doin' fine
One out of three of us is locked up doin' time
You know what this type of shit can do to a nigga moms My mind on my money, money on my mind
If you owe me ten dollars you ain't givin' me nine
Y'all ain't give me 40 acres and a mule
So I got my glock 40 now I'm cool And if Al Sharpton is speakin' for me
Somebody give him the word and tell him I don't approve
Tell him I remove the curses
If you tell me our schools gon' be perfect
When Jena Six don't exist
Tell him that's when I'll stop sayin' bitch, bitch Say hello to the bad guy, they say I'm a bad guy
I come from the bottom but now I'm mad fly
They say I'm a menace, that's the picture they paint
They say a lot about me, let me tell you what I ain't They say I'm a bad guy, say hi to the bad guy
I come from the bottom but now I'm mad fly
They say I'm a menace, that's the picture they paint
They say a lot about me, let me tell you what I ain't
