

# Antiversum

## Dark Fortress

Condensed anew  
Into unspeakable immortal coil  
Malkuth is trembling, lies askew  
Before the end of all mortal toil  
Reborn by the vastness  
Of the Outer Pandemonium  
Spawned by all the ungodly lurking  
Defiled by the Genesis  
Deliver me  
And I shall wrench the world wide open  
For the coming of Elysium  
In the dawning unlight  
I shall walk the earth  
As your Messiah, your Nemesis  
Hiscat Barathrum  
Antiversum  
Cohorrescent Corpora Mea  
Antiversum  
Reverto Ut Frendeam Orbitem Terrarum  
From behind the glass  
In dimensions long cast aside  
I see a shape  
Familiar yet forgotten  
Mummified in space and time  
Lifeless, rotten  
Antiversum  
Cohorrescent Corpora Mea  
Antiversum  
Reverto Ut Frendeam Orbitem Terrarum  
Legions of nightmared flank my side  
The mirror bursts like an eggshell  
I emerge, black furnace in the flesh  
To bring the end of all continuum  
Antiversum  
Cohorrescent Corpora Mea  
Antiversum  
Reverto Ut Frendeam Orbitem Terrarum
