

Waiting for the News

Midtown

I'm still waiting for the news dad
That she's gone and never coming back
I can't go on
Because the strength I had is gone
And I find it hard to get out of bed Oh yeah don't you know it's true son
You can never know someone
Even though we sleep together
We're alone
And I find it hard to get out of bed And we operate
But I still feel alone
And I can't complain
'Cause she's beautiful
Yes, we all have made mistakes Even though we sleep together
We're alone
Yes, we've all made mistakes
Even though we sleep together
We're alone
And I find it hard to get out of bed
