Devil

NuÅ¡a Derenda

Ever dance with the devil baby? Oh no
Make my day
Do you feel lucky? Oh no
TomorrowÂ´s another day
Can you walk on water maybe? Oh no
Turn water into wine?
Can I buy you a drink there lady? Oh no
Can you tell me another lie?

So be my Devil Angel
Be my shooting star
Be my Devil Angel
Be my shooting star

Have I seen you somewhere baby? Oh no
I need another line
Are you living the dream there lady? Oh no
Can I tell you whatÂ´s inside?

So be my Devil Angel
Be my shooting star
Be my Devil Angel
Be my shooting star

Stop the car there baby! Oh no
You canÂ´t handle the truth
So whatÂ´s the point then lady? Oh no
If ya canÂ´t stand to play and lose

So be my Devil Angel
Be my shooting star
So be my Devil Angel
Be my shooting star
Be my Devil Angel
Be my shooting star
Be my Devil Angel
Be my shooting star
Bye bye Angel
Be my Devil
