

# I'm Not Your Toy

[La Roux](#)

Love, love is like a stubborn youth  
That you'd rather just deny  
I'm walking on a broken roof  
While I'm looking at the sky  
It's all false love and affection  
You don't want me you just like the attention  
Yes It's all false love and affection  
You don't like me you just want the attention  
I'm not your toy  
This isn't another girl meets boy [repeat 2x]  
Love, love hides in a smoky light  
I can never find the truth  
Boy, your touches leave me mystified  
I wish I could believe in you

Yes It's all false love and affection  
You don't want me you just like the attention  
Yes It's all false love and affection  
You don't like me you just want the attention  
I'm not your toy  
This isn't another girl meets boy [repeat 3x]  
It's all false love and affection  
You don't want me you just like the attention  
Yes It's all false love and affection  
You don't like me you just want the attention  
[Instrumental Break]I'm not your toy  
This isn't another girl meets boy [repeat 4x]
