

# Love Is The Crack

## Fat White Family

I'm so sick of swallowing  
Your half-eaten () fruit  
()my lips  
Could not the waters proveLove is the crack  
Love is the crack  
Somebody else's milkAin't no black in the Union Jack  
Ain't no yellow or brown  
Ain't no white on the Stars and Stripes  
Come let it shake that sugar down
