Mr. Lif

Its been a while since last we caught up Collaborate bout old times and those schemes that we thought up laugh about our mums wooden spoons hitting us Cocoa brown boys with red bums Funny ah just to recollect ooh reminess back then when we were kids Connected together never rolling as individual My man we got history running deep beneath the physical though time separated flesh Respect remains mutual no speech ever need be spoken The spirits aint departed, we still getting started progressing to catching wreck Disconnect affiliation cat you must be joking It aint even like we out growing each other ever since birth We placed upon this earth as brothers Now I know we said boys up hoes down Back seat to L.O.V.E Course things going to change when that one is found Its all good cause know that we No matter what communicate for sure even through the strife Can keep it tight for real for life Im a be there for you keep connection tight like family [Chorus:] Now bro Ill be there for you yaw hold tight and Ill keep it true No doubt In those times of need Im there indeed brother see you dont even have to speak yaw hold tight and Ill keep it true For real uso Ill be there for you No question see sole you dont even have to speak In those times of need Im there indeed [Verse:] Our bond be instruct able testament of friendship is what is known Second whanau man you like my surrogate aiga From that know for real that I got cha back brotherhood uncompromised in times of transition and have got that other line when a brother needs to chat you aint ever got to hesitate none conversate some sure enough It seems like we were born crew, since the beginning of time Able to conversate despite not always on the same lines In essence nothing has changed though direction do deviate You got business to handle Make no mistake I can relate Our links be deeper then this whole globe could ever expose Extended for eternity, the brotherhood for ever grows Together we better than isolated as solo forever never will I allow your friendship to go. [Chorus:] Now bro Ill be there for you No doubt yaw hold tight and Ill keep it true In those times of need Im there indeed brother see you dont even have to speak For real uso Ill be there for you yaw hold tight and Ill keep it true No question In those times of need Im there indeed see sole you dont even have to speak [Bridge:] Yaw shadow if inclined to bare the soul With Nesian knuckle game control Its that joint force connection clan honour respecting Endeavour to never sever the bond were protecting Black and blue maybe true colours due If Katz were to step, Sabre Im right beside you I Pray for blessing everyday of your life Even when it seems the end of the tunnel dont lead to the light If ever in need you or your family call a brother dont pause or hesitate to conceive Even in the eye of the storm all are warn Aint nothing worst than a brothers scorn To the link resilient there for your cause United we stand aint never going to fall United we stand never divided so we never fall When everythings said and done I still provide support [Chorus:] Now bro Ill be there for you No doubt yaw hold tight and Ill keep it true In those times of need Im there indeed brother see you dont even have to speak For real uso Ill be there for you yaw hold tight and Ill keep it true No question In those times of need Im there indeed see sole you dont even have to speak [Thanks to one_ticklish_chic@hotmail.com for these lyrics]
