

# I Owe It All to You

Dale Watson

I owe it all to you. She's your old used to be  
now that girl belongs to me  
hard luck  
she found out you're not true  
She knows your number, knows your game  
now you're the only one to blame  
she's mine now  
and I owe it all to you  
I owe it all to you  
you make my dreams come true  
when you walked out  
and left the door unclosed  
I took a chance  
to help Her mend  
a heart you broke in two  
she's mine now and I always all to you  
I owe it all to you  
you make my dreams come true  
when you walked out  
and left the door unclosed  
I took a chance  
to help her mends  
the heart you broke in two  
and she's mine now  
and I owe it all to you  
she's mine now  
and I owe it all to you
