

# You'd Be Wrong

**Mark Chesnutt**

You would think after all this time  
I wouldn't let you in tonight  
That all those feelings for you would be gone  
You would think but you'd be wrong You would think one little kiss  
Wouldn't tempt me like this  
That I'd have pride and pretend to be strong  
You would think but you'd be wrong Love can be so deceiving  
I should hate you but I don't  
No matter what I do  
My heart just wants what it wants Love can be so deceiving  
I should hate you but I don't  
No matter what I do  
My heart still wants what it wants You would think that just because  
I told the truth, confessed my love  
I'd take you back rather than be alone  
You would think but you'd be wrong
