

# Be Still (Going Public )

## Newsboys

Be still and know he  
Know he is holy  
Be still and know he is god We have filled our lives with inventions  
That have hurried us nowhere fast  
Now we need to turn our attentions  
To what will last Be still and know he  
Know he is holy  
Be still and know he is god  
Love him more dearly  
See him more clearly  
Be still and know he is god We've been running without direction  
We're afraid to get there late  
What we need is strength just to kneel down  
And wait
