Shot Caller

Ian Carey

[Chorus - Curren$y]Shorty got potential I could be her sponsor
Met her back stage at a summer jam concert
Hair like Rihanna shoe game was awesome
Could tell by her aura she want a shot caller
Wanna be with a baller shot caller
Can tell by her aura she wanna shot caller
Wanna be with a baller shot caller
Can tell by her aura she wanna shot caller
[French Montana - Verse 1]Dippin in the 'lac (slow) 3 in the back (oh)
2 if ya fat (aha) pimpin is a fact
Fresh up out the street hot jump to the top
I be french montana from da da da block
Went solo on ya azz, solo on the ave
All white navy blue polo with the hat
I go rawr rawr like a thunder dragon
From the south Bronx home of the original clappers
Just another case diggin in the crates
Empty out the tool they was fillin it with hate
Livin life fast guess mines on a speed boat
Smoke weed like it's legal
[Chorus - Curren$y]Shorty got potential I could be her sponsor
Met her back stage at a summer jam concert
Hair like Rihanna shoe game was awesome

Could tell by her aura she want a shot caller
Wanna be with a baller shot caller
Can tell by her aura she wanna shot caller
Wanna be with a baller shot caller
Can tell by her aura she wanna shot caller
[French Montana - Verse 2]Back on the scene, crispy and clean,
LV the logo even on the chain,
Dopey funny style with a funky funky child
I do it frenchy style I let the money pile
She aint wanna talk till she seen the top off
Call me pimp homicide let her jump off
Feel the texture ? webster
Stand on my own not who I stand next ya
Can I hit it in the morning (mornin') fo sho I'll be pimpin like a pro
All the bad bitches know when the money hit the flo better pick it up

(pick it up pick it up pick it up)
French Montana French French Montana
[Chorus - Curren$y] (x2)
Shorty got potential I could be her sponsor
Met her back stage at a summer jam concert
Hair like Rihanna shoe game was awesome
Could tell by her aura she want a shot caller
Wanna be with a baller shot caller
Can tell by her aura she wanna shot caller
Wanna be with a baller shot caller
Can tell by her aura she wanna shot caller
