Kantoi

Shena Malsiana

Semalam I call you, you tak answer
You kata you keluar pergi dinner
You kata you keluar dengan kawan you
but when i call Tommy he said it wasnt true..
So I drove my car pergi Damansara
Tommy kata maybe you tengok bola
Tapi bila i sampai you, you tak ada
Lagilah I jadi gila
So i call then call sampai you answer..
You kata sorry sayang tadi tak dengar..
My phone was sound silent I was at the gym..
tapi latar belakang suara perempuan lain..

Sudahlah sayang
I dont believe you
And i know ur words were never true..
Why am I with you I pun tak tau..
No wonder la my friends pun tak suke you..
So i guess thats the end of our story..
Akhir kata she accepted his apology
Tapi last last kita dapat tahu
she was cheating too..
With her ex-boyfriend's bestfriend..
Tommy..
Kantoi..
