

# Goodbye In Her Eyes

## Zac Brown Band

I could tell that it was over  
When her lips met mine  
It was an emptiness in her voice  
Hesitation when she smiled  
She didn't have to say a word  
It was just so plain to see  
She had found what she'd been looking for  
And I knew it wasn't me I saw goodbye in her eyes  
I don't think I can change it  
There's no way to disguise  
We will never make it Sometimes I feel like a clown  
Who can't wash off his make-up  
All she wanted it was gone  
Prince Charming I wasn't  
But I would trade a thousand Babylons  
To be in her arms tomorrow  
But like tide her love has come and gone  
And it's time for me to go I saw goodbye in her eyes  
I don't think I can change it  
There's no way to disguise  
We will never make it Now she sees right through me  
Should I hold on to what we've got  
Is it just a waste of time  
One thing that I know for sure  
I saw goodbye in her eyes  
I saw goodbye in her eyes I know you got somebody new now  
All my candles have burned out  
He's gonna love the way you shine  
So did I  
So don't smile at me if it ain't what you need  
With that goodbye in your eyes  
I know that I can't change it  
(Now you see right through me)  
There's no way to disguise  
We will never make it I saw goodbye in your eyes  
I know that I can't change it  
(Now you see right through me, goodbye in your eyes)  
Should I hold on  
We will never make it

(Now you see right through me, goodbye in your eyes)

Should I hold on

Is it just a waste of time

One thing that I know for sure

I saw goodbye in your eyes

I saw goodbye in your eyes

I know that it's over
