

# Remember Me (Ft. Jessie J)

Daley

So you confess,  
To all the way you've been seeing  
Now you feel regret, yeah  
But that don't mean shit to me  
No, no  
So empty what you can say  
Take a minute please  
It's too little too late  
To make it up to me  
I hope that those tears refresh your memory  
Now when another makes you cry That's when you, remember me  
I'm the one that hurt you baby  
I'm the one who loved you baby  
Remember me  
I'm the one that hurt you baby  
I'm the one who loved you baby I guess it wasn't enough  
To give you everything, no no  
And I guess I should have know better  
How could I be so naive  
I don't know,  
So empty what you can say  
Take a minute please  
It's too little too late  
To make it up to me  
I hope that those tears refresh your memory  
Now when you're all alone at night That's when you, remember me  
I'm the one that hurt you baby  
I'm the one who loved you baby  
Remember me  
I'm the one that hurt you baby  
I'm the one who loved you baby Now when you all alone at night That's when you, remember me  
I'm the one that hurt you baby  
I'm the one who loved you baby  
Remember me  
I'm the one who loved you  
Remember me (remember me)  
I'm the one who loved you (remember me)  
Remember me

I'm the one who loved you (I'm the one who loved you)
