Dreaming

BeyonceÌ•

When I'm here in your arms I feel love in my heart, I can breathe
Not even pinching myself, I don't care
I want you here with me
I never wished on a star when a star ain't got nothing on me
'Cause I can wish you in my dreams.Bridge:
When I close my eyes
I feel like I'm alive
'Cause I can fall asleep
knowing that tonight you will be here with me
Ohh.Chorus:
(Let me know) if this is a dream (oh oh oh)
Then I don't wanna know, (I don't wanna know)
'Cause I ain't 'bout to be without you babe
(without you babe)
No(Let me know) if this is a dream,
Then I ain't letting go, (I ain't letting go)
'Cause everything I love is about you babe, about you babe
So I rather be here dreaming than waking up with nobody home
Oh oh oh oh oh, oh oh oh oh oh,
If it's the only way to be with you then dreaming you is where I belong
Oh oh oh oh oh, oh oh oh oh oh.I think the luckiest girl in the whole wide world could be me
I get to be with the one that I love any time I please
I feel like I can stay forever beyond eternity
It's like I'm where I supposed to be.Bridge:
When I close my eyes I feel like I'm alive
'Cause I can fall asleep knowing
that tonight you'll be here with me,
Ohh.[Chorus:]It took a lifetime
Just to get wit you,
To be with you baby
And now that I'm here with you
I'm gonna take it in
Breathe you in
And if I am dreaming let the dream be that I'm awake
'Cause I rather dream about you than be living life without me and youYou
[2 x Chorus:]
