Point 8 (People)

Papa J. Ruiz

[Intro]

One time, one time.
Look!
Yeah...
Fifty five..
What?
Look, ah!

I

Now it's blind lifted, this young wicked,
it's none of my business
Homies pulling legs, give goods and rhyme,
within 'spitting this pocket broke (?)

Use ?, like rustapun(?) in the real shit,
Feel shit, never in it, a mill quick, near quick,
City within thieves, let they steal, peep,
Got to get on and ? my ?

They don't pill it, dance with in devil in modern style was broke,
couldn't percous theme out, we runnin for miles,
they buy standards, dial up- nine eleven bitches
Was kinda sending theme cops, left to taste it(?)

But nevermind their dreams come true,
we're on this face kid, listen up
Wasn't overnight came across demons in the bows,
lick, so sobber(?) nights!

Chorus:
Now once for the people that's ?
And two's for the weed that we're smoking of the way,
I ain't fuckin with you bitches born ? get paid
I may not see theme more, no less for the day
(x2) And I been griding and hustlin ? for days,
THEY'RE ON THE LOW (ah)- there's no much you can say!

II

Gave money to bombs when it was died brokin bad,
Five-four do I smoke, I know read the contracts still big,
they minded in your Iphones, sly(?) show us ? and get your mind blown,
Listen to the track why you bookin(?) with your bitch

And you're feeling on the top bomb, looking to the future,
we gone hijacking, drive drunks and double ow(?)
Seven(?) suckers with their eyes closed and *** ?
... got youngest in seeing the world, and different times on side on

Everything I never had and if you wasn't for dead this intrect(?)
What we feel of track and so sex, tear(?) for your brain(?), ?, or they?
People to feed and this violent with their ?
?

Chorus:
Now once for the people that's ?
And two's for the weed that we're smoking of the way,
I ain't fuckin with you bitches born ? get paid
I may not see theme more, no less for the day
(x2) And I been griding and hustlin ? for days,
THEY'RE ON THE LOW (ah)- there's no much you can say!
