

# El Nin-Yo!

Tata Young

Can you feel it coming down?  
Comes down harder, harder  
Comes down faster, faster  
You're burning hot! You got my temperature rising  
Like (what?) El Nin-Yo!  
Like (what?) El Nin-Yo!  
Like (what?) El Nin-Yo!  
Like (what?) El Nin-Yo! Can you feel the fire in my eyes?  
What my lips desire can't be denied  
I can take you to a place where the sun don't shine  
Ohowowo, I'll melt your mind You could say  
I'm old fashioned  
But a circuit snaps when the temperature rises  
I'm all consumed by passion I need rain rain rain  
I'm burning up in here  
This drought's 'bout to disappear  
Rain rain rain  
I'm burning up in here  
Ready on not, open up You got my temperature rising  
Like (what?) El Nin-Yo!  
Like (what?) El Nin-Yo!  
Like (what?) El Nin-Yo!  
Like (what?) El Nin-Yo! Don't leave me till I'm satisfied  
I won't say no to something I haven't tried  
I won't object to my hands and feet being tied  
This girl don't know 'bout being shy You could say  
I'm old fashioned  
But a circuit snaps when the temperature rises  
I'm all consumed by passion I need rain rain rain  
I'm burning up in here  
This drought's 'bout to disappear  
Rain rain rain  
I'm burning up in here  
Ready on not, open up  
And let it rain You got my temperature rising  
Like (what?) El Nin-Yo!  
Like (what?) El Nin-Yo!  
Like (what?) El Nin-Yo!  
Like (what?) El Nin-Yo! Can you feel it coming down?
