

Moonshine

Oscar and the Wolf

In the coldest and the darkest skin, and you glow inside the dream I'm in.

By the moonshine, I can see you're on the coldest side
wait untill my body's gone...But when you argue, don't let me die
but when you speak, I do..

Look for me on the shippers boat and leave the house behind....By the moon...shining, glowing, the dark, come
dance with me...(x2)

By the moon...shine, you glow in the dark, come dance with meIn the coldest and the darkest skin, and you
glow inside the dream I'm in...only by the moonshine...
