Nothinâ€™ But Summer

Dallas Smith

Pretty little girls flirting with the boys
down at the snowcone stand
Beer caps, flip flops, tank tops
Popping off down below the damSouped up pick ups
Chrome shiny Harley's
Inner tubes, Mountain dew
and a fifth of BacardiGet on your mark set
Baby get your feet wet
Dive in head first,
Let it take you under
Grab a little sunshine
Coppertone tan lines
Hanging out talking 'bout
Nothing but Summer
Summer
Little party on a pontoon boat
Everybody's here, everybody's getting loud
Damn fine tan lines and them Carolina cuties
laid out on the bowCouple in the water making waves
You and me sleeping off in the shadeGet on your mark set
Baby get your feet wet
Dive in head first,
Let it take you under
Grab a little sunshine
Coppertone tan lines
Hanging out talking 'bout
Nothing but SummerLoving is freedom
Live it up all life
Loving is feeling
I'm feeling alright
On the beach with a bottle of good wine
You and me making love by the moonlightGet on your mark set
Baby get your feet wet
Dive in head first,
Let it take you under
Grab a little sunshine
Coppertone tan lines
Hanging out talking 'bout
Nothing but Summer

SummerNothing but summer
Oh, summer
