

Pains of Life

Ziggy Marley & The Melody Makers

This song is for all the children
This song is for all the children Jah said, if you ain't like a child
You can't enter Mt. Zion
Jah said, if you ain't like a child
You can't enter Mt. Zion
Mt. Zion, Mt. Zion, Mt. Zion Mama want you to be, what she wants you to be
You got to be what you got to be
Yes everyone suffers from the pains of life
And everyone suffers from the pains of life
Pains of life, the pains of life, the pains of life
Life, life, life
Everyone suffers from the pains of life
Everyone suffers from the pains of life
Pains of life, pains of life, pains of life This song is for all the children
This song is for all the children
Jah said, if you ain't like a child
You can't enter Mt. Zion
Jah said, if you ain't like a child
You can't enter Mt. Zion
Oh, Mt. Zion, Mt. Zion, Mt. Zion
