Oh, the Humanity

Arsis

A false confession sprayed forth from the mouth of disdain
What words Spoken?
What Love Swayed?
And the mirror broken brings the faith of the damned to me
This is how the lost ones feel in love and in life
Close your legs when vanity's forlorn
Close your legs before I close them for you
Close your legs and in time properly behold...
Oh, The humanity
The heart of love bereaved with hllow eyes and a whisper waiting for words to fill the lies
A heart's rejection sprang quick and laid claim to me
Where's reason when love's swayed and the broken mirror brings the faith of the damned to me.
